

Technical change for RS VERT Modules

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

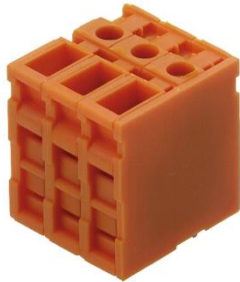

The articles listed on Section 5 were delivered with connectors TOP4GS2/180 7.62 OR and connectors TOP4GS3/180 7.62 OR.

2. Technical change

Based on continuous product improvements and due to our cancellation strategy, TOP4 connectors will become obsolete.

For the articles listed on Section 5, the old TOP4 connectors will be replaced by LLFS 7.50 and the RS VERT's PCBs will be redesigned to fit the new connectors.

In addition, articles on Section 5 have been approved according UL certification .

Old connector	New connector
TOP4 connector 	LLFS connector 

3. Reason for change

Obsolescence of TOP4 connector.

4. Availability

Once the remaining stock of old connectors is finished, new productions will be done with new connectors.

5. Affected parts

1128100000	RS VERT 4P 20X4 S
1128110000	RS VERT 4P 20X4 Z
1128120000	RS VERT 6P 12X6 S
1128130000	RS VERT 6P 12X6 Z

6. Data

PCN-number: 20230925

Date of publishing: 25-09-2023

This document has indefinite validity from today
