

Technical Change / Redesign BLZ 5.08/180QV to BLZP 5.08/180QV

Dear Medam or Sir,

The items listed below will be supplied in a modified version in future. All changes are made for reasons of product improvement. Please pass on this Product Change Notification (PCN) to your employees and, if applicable, to your customers.

1. Initial situation

The Design of product family BLZP 5.08 will be adapted to the BLZ 5.08/180QV family.

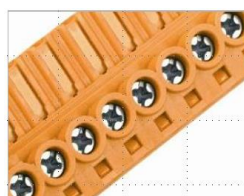

2. Reason

The BLZ 5.08/180QV is adapted to the design of the BLZP 5.08/180 and thus retains the product advantages of the BLZP 5.08 such as +/- screw, wire-ready function (open terminal point) ...

3. Technical change

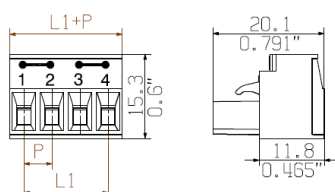

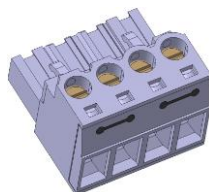

The technical data remains unchanged.

Due to the adaptation of the screw drive, the BLZP 5.08/180 QV is 0.8 mm higher than the BLZ 5.08/180QV

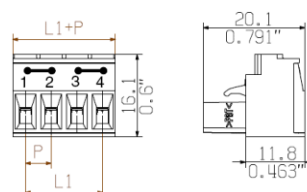

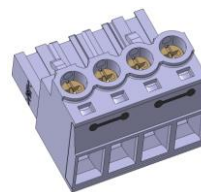

Old Version

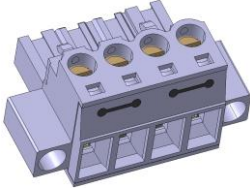

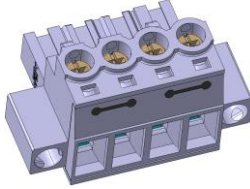

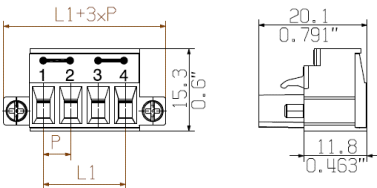

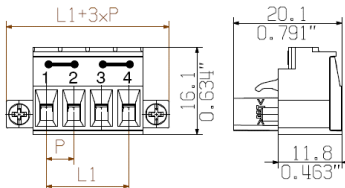

BLZ 5.08/180QV/180

New Version

BLZP 5.08/180QV/180

Old Version	New Version
BLZ 5.08/180QV/180F 	BLZP 5.08/180QV/180 
	

4. Availability

The adjustments will be made from Q1/ 2025.
Article numbers will remain the same.
No stock adjustment will be made. This can lead to mixing in a delivery, but not within a package.

5. Affected parts

The list of the affected articles is shown in the appendix.

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here:
