Weidmüller

Technical change to RSSD/RSF RS45 modules

Dear Madam or Sir,

The products listed below are subject to a product change and will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications mentioned have been made to support our ongoing commitment to continual improvement and ongoing product development.

1. Initial situation

Articles on Section 5 were delivered in the past with LPK 2H 5.08/90 connectors. Furthermore, they were delivered with Dekafix*

*Dekafix is the universal marker for terminals, plug-in connectors and electronic modules from the Weidmüller product range (see detail).

2. Technical change

Based on continuous improvement the LPK 2H connectors mentioned in Section 1 will be replaced by LM2N 5.08/90 connectors. Furthermore, all the connectors will be marked with Tampoprint.

Old version	New version
LPK 2H 5.08 *Modules with flat connector (HE10)	**LM2N 5.08**
LPK 2H 5.08 * Modules with Sub-D connector	**LM2N 5.08**

3. Reason for change

Obsolescence of LPK 2H connectors.

4.   Availability

Current products in stock still have old connectors. Once the stock of LPK 2H connectors is finished, new productions will be done with the new modifications detailed above. This will be reflected on its KKZ or compatibility indicator which will be increased. As time goes on, products with old compatibility codes will decrease until end of stock following a FIFO process. FIFO stands for *First in – First out* in our stock locations.

5.   Affected parts

8155610000	RS F10 LPK 2H/12	8259010000	RS SD9S UNC LPK2
8258980000	RS F14 LPK 2H/16	8233350000	RS SD15S UNC LPK2
8265540000	RS F16 LPK 2H/18	8155650000	RS SD25S UNC LPK2
8155600000	RS F20 LPK 2H/22	8155660000	RS SD37S UNC LPK2
